The unredacted versions of the inputs worksheets that were used to generate customer-specific rate tables for the agreement for which the Postal Service is providing notice are being filed with the Commission under seal. The inputs worksheets are very similar to the inputs worksheets that were included in the Postal Service's notice concerning the first group of GEPS – NPR 11 contracts filed in this docket. Therefore, the Postal Service requests that the Commission consider the redacted versions of the inputs worksheets filed in this docket with the Postal Service's notice dated February 24, 2017, as representative of the inputs worksheets filed with this notice.⁵

The Postal Service incorporates by reference the application for non-public treatment that was filed in conjunction with the Postal Service's December 27, 2016, notice in this docket.⁶ The application protects from disclosure the information that has been redacted from the contract and the inputs worksheets that the Postal Service is filing today with this notice.
